

FEMME INCIDENT REPORT (FIR ASSIST)

Generated on: 2026-06-15 13:52:11 UTC

Journey Details

Cab Number / Plate:	TN07KK4567	Service Provider:	Rapido
Status:	CANCELLED	Start Time (UTC):	2026-06-15T13:47:36
Pickup Location:	Koramangala 4th Block, Bengaluru	Destination Location:	Indiranagar Double Road, Bengaluru

Detected Journey Anomalies & Alerts

Summary: Route Deviations: 0 | Unusual Stops: 0 | Audio Distress Incidents: 0

Timestamp	Event / Trigger	Location (GPS)	Integrity Check (SHA-256)
N/A	No anomalies detected during this journey monitoring	N/A	N/A

Tamper-Proof Journey Capsule History (GPS Logs)

Below is the cryptographically validated timeline of tracking telemetry recorded during monitoring.

Timestamp	Coordinates	Speed (km/h)	Capsule Hash (SHA-256)
N/A	No capsule snapshots available.	0.0	N/A

Legal Certification & Chain of Custody

This report compiles cryptographic records saved client-side and server-side under strict security rules. Each tracking capsule record is sealed with a SHA-256 digital signature representing coordinates, timestamps, and anomalies at the moment of capture. Under section 65B of the Indian Evidence Act (or local equivalent electronic evidence act), this log can serve as valid digital forensic data supporting incident verification.
